Good morning, Venus.

I look forward to the training next week. As I mentioned, I really want to make sure that we have an opportunity to test all of the videos I will use in this workshop. I will send the Power Point in a separate email. All of the videos are embedded within the PPT. They usually play without a problem, but sometimes they drag and run slow. We need to make sure that does not happen.

Can you also confirm the address where I should report and let me know how early someone will be available to let me in the building.

Attached please find handouts for the training.

HANDOUTS/WORKSHEETS: It's Not Me, Its Them: Blindspot Bias and Prosecutors

Monday, April 1 8:30 – 11:00 am

→ **Please print the following documents for use during the workshop:**

1. WORKSHEET: Third-Party Interrupter (BLANK)
2. WORKSHEET: Self Audit: Check My Implicit Bias (BLANK)
3. WORKSHEET: Agency/Office Audit (BLANK)
4. WORKSHEET: Language Game (COMPLETED w/ BLANK lines at the end)

The following resources are essentially "answer grids" for the previous 3 handouts. These are useful for participants, and I often hand them out at the conclusion of the workshop. You can decide whether to make these available to the participants in hard copy or electronically. The upside of the hard copy is that I think folks are more likely to look at the document if they have it in hard copy and less likely to look at it if they have to open it electronically, BUT I am fine either way. I will tell the participants they are available if they are interested.

1. WORKSHEET: Third-Party Interrupter (COMPLETED)
2. WORKSHEET: Self Audit: Check My Implicit Bias (COMPLETED)
3. WORKSHEET: Agency/Office Audit (COMPLETED)

Thank you!

No problem. I should be able to talk at 7:30 pm EST tomorrow. I may be in my car heading home from the office at that time, but that should be a good time to talk.

Best, Kris

Hello Kristin –

I am so very very sorry. We have a matter that arose this afternoon that disrupted the day a bit. I can do a call at 4:30 PM PST tomorrow if that happens to work for you?

Hi, again, Venus. It's about 7:20 pm here. I am going to jump off the phone, but my cell phone number is 202-215-5754. I will be by my phone until about 7:45 EST. If we don't talk tonight, we can try to pick a time tomorrow. (I also may be able to talk again tonight after 8:30 pm EST.). I hope I didn't get the date and time wrong in my end!

Best, Kris
