The Zoom DA Roundtable for October will be this coming **Tuesday, October 13 at 7:30 a.m.** The link is pasted below.

Vern has invited a guest to speak to the group. At 8:15 a.m., Bryan Miller will be joining the call to make a presentation on the latest in political technology for advocacy and campaign strategies.

*Bryan Miller has served two U.S. Presidents, and has over 20 years of experience in public affairs. His work has been covered extensively in dozens of media outlets both across the U.S. and internationally. As President of The Alliance for Solar Choice, he led the solar industry to a 98% win rate in policy decisions across 47 states and the federal government. Fortune Magazine profiled how he is "radically changing" political advocacy through technology. During the first two years of the Obama Administration, Bryan served as Senior Counsel at the United States Department of Energy. From 1995-1996, he was the*

*youngest employee of President Clinton's reelection campaign where he worked as a fundraiser and grassroots organizer.*
