Good afternoon,

Governor Newsom signed AB 2542, The Racial Justice Act, into law. CDAA has established a new Community on Sidebars so prosecutors can discuss questions and/or issues surrounding this new law. We encourage someone from each DA's office join the group. In the meantime, CDAA is planning a training on the subject and we would appreciate your suggestion of a knowledgeable prosecutor to participate in this training. Please let me know if there is someone in your office who would be great!

Thank you.
