Looking for any help anyone can send my way.

Defendant filed a Motion for Relief Pursuant to Penal Code Section 745 (The California Racial Justice Act) for one of my 266i PC (Pandering) cases. Wondering if anyone has handled one of these in court yet? Does anyone have a written opposition they can send my way? What are courts and DDAs using to oppose these motions? Anything and everything you could send my way would be greatly appreciated.

Thank you!
