We have established a community for the Racial Justice Act. Go to the Communities tab at the top of the page, select "All Communities," scroll down to the second listing-AB 2542 Racial Justice Act-and click on the blue "JOIN" box.

Good morning -

I hope everyone is safe and healthy this holiday season. As we all prepare for AB 2542 to become effective on January 1, what if anything is your office doing to assist your attorneys in responding? After attending the CDAA training, which was excellent, our office formed a small committee to think through some of the procedural steps and challenges we will need to address. Specifically, we are looking into data experts and statisticians who we could potentially hire to testify, if the need arises. Your recommendations and thoughts are welcome. Lastly, will your office designate one or two attorneys to handle these motions, or will you leave it to the assigned PX or trial attorney?

Perhaps we can continue to exchange ideas and information as things develop throughout the year.
