Good morning all,

I just received the attached motion from Tony Ashe requesting disclosures under the Racial Justice Act. I spoke with Chris and Ryan, who told me we have responded to a few of these and that I should alert Venus. I've attached the defense motion, as well as the CDAA template response that Ryan gave me.

My case is currently set for trial on 3/8 with RC on 2/10. Please advise if there is a uniform response from our office that I should be using.

Thank you,  
Max
