FYI – received this in addition to Ashe’s motion from Hsieh at the ADO’s office.

Is our response to these informal requests just that we do not have the information requested available?

Thanks,
Max

Hi Max,

I am informed that Tony sent an informal discovery request seeking records relevant to a possible Racial Justice Act claim per PC 745(a). I join that request. I can also send something written to clarify the records that I seek.

To that end, do you (or your office generally) have a position on that request?
