Hi Max -

I have not read through the informal discovery request, but Chris Sansoe dealt with his exact issue. It depends on what the request is. Please confer with Chris and then Ryan to ensure that 1) we do or don't not collect the information and 2) whether you want to object because the information is not relevant to the case.

Please include Scott on the email chains as well - as he deals directly with these issues when they turn into PRA requests.

FYI – received this in addition to Ashe's motion from Hsieh at the ADO's office.

Is our response to these informal requests just that we do not have the information requested available?

Thanks,
Max

Hi Max,

I am informed that Tony sent an informal discovery request seeking records relevant to a possible Racial Justice Act claim per PC 745(a). I join that request. I can also send something written to clarify the records that I seek.

To that end, do you (or your office generally) have a position on that request?
