Good morning,

Having reviewed Mr. Ashe's request, I don't believe it meets a prima facie showing for such a request. I also do not have the information requested available to me, even if that standard had been met.

Thank you,

Hi Max,

I am informed that Tony sent an informal discovery request seeking records relevant to a

possible Racial Justice Act claim per PC 745(a). I join that request. I can also send something written to clarify the records that I seek.

To that end, do you (or your office generally) have a position on that request?
