Subject: Helpful AB 1950 sources
Attachments: Probation Length - AB 1950 - Supplement (002).pdf; Legislative Digest 2020.pdf

Hi all,

My friend from Santa Clara DA sent me to 2 sources to help with my AB 1950 appeal and I thought I would share them with the team. The first is a bench memo from a retired Judge that goes over how AB 1950 applies retroactively to cases at different stages (warrant, pre sentencing, post sentencing, etc) as of January 1. It also has a list of crimes that are excluded and their maximum probation length. The second is the legislative digest, which also has a very helpful section on AB 1950 as well as other new laws.

Thanks,
Danielle
