Leg. Committee, I've attached some additional items. Please be patient with me, I'm still getting my sea legs with my new job in addition to CDAA work 😊 Attached:

1. Leg. Committee Roster
2. Minutes from Leg. Summit 2020
3. AB 760 OCDA bill
4. AB 21 Alameda DA bill

5. AB 364 Alameda DA bill

And here is a top ten bill kill list, as identified by one of our Leg. Committee members; subject to additions and subtractions of the Committee's will.

10. AB 679 – prohibits use of in-custody informants
9. AB 518 – amends 654 to allow lesser sentence
8. AB 256 – Racial Justice Act retroactivity
7. AB 329 & AB 262 – 0 bail
6. AB 333 – severely limits gang enhancements
5. AB 1224 & SB 300 – re special circs
4. SB 775 – expands felony murder rule (SB 1437) to attempted murder and manslaughter
3. SB 82 – deems all robberies without weapon or GBI misdemeanors (and is retroactive)
2. SB 81 – severely limits/prohibits use of enhancements
1. AB 1509 – repeals 12022.5 (guns) & 12022.7 (GBI); reduces 10-20-life for gun use to 1-2-3 (this is not a typo...you read that correctly)

See you tomorrow at 9:30!

Tiffany
