**Subject:** Letters & Cell Numbers  
**Attachments:** CDAA Bill Positions.docx

Leg. Committee: If you are assigned an oppose or support letter based on the bills you analyzed (attached is the list you can refer to), please send me your letters by the end of this week. Committee hearings are picking up quick.

Since a lot of us are working from home still, could you please send me your cell numbers? I will update the roster and circulate it among the committee next week.

Thank you,  
Tiffany
