Diana,

Defense counsel on one on of Chad's PC 187 gang cases has filed a PC 745 motion, claiming that our office disproportionately charges gang enhancements based on race/ethnicity. I know Venus was working on this type of issue on one of Chris Sansoe's cases, but I obviously can't talk to Venus at this point to make sure we are aligned on how to handle these motions. Can you give me a call when you get a moment?

Thanks,  
Chris

Please advise how you would like this responded to – whether we have office briefing/actual statistics that are credible? I am aware of the Vera Institute – and believe that the Vera Institute investigation was biased and will not write anything that gives any credence or legitimacy to their conclusion-biased approach to our office. Please advise.

Sincerely,

Chad Mahalich
