Hi, this is Joe with CEB Tech Support, I have found the answers to your questions. The Racial Justice Act will be covered in the new edition - in CH 29 specifically. The price for the new title will be 385 once released. Have a great day and stay safe!

Unfortunately not, but I would assume so as this is quite an important book in our eyes. I will check with my content team to see if there is any additional info on the update we can provide you. Would you like to be notified by chat, or email?
