Subject: RE: Racial Justice Act

Also, it depends on which part of the statute the defense is raising. At this point, Horowitz and Tsykova cited PC 745(a). I think Sansoe and Chad's motions related to a different subsection.

Subject: Racial Justice Act

Nancy,

Defense counsel had filed a racial justice act motion on one of my homicide cases.
Can you forward me a copy of what has ultimately filed, on our behalf, on the Horowitz case?

Thanks,
Chris
