***** EXTERNAL MESSAGE *****

Hi there, we are in receipt of your request.

We have no responsive documents. We are a small county, only four prosecutors in our office. We do not have any written policies etc regarding these items you are seeking. For example, crime charging, every case is evaluated on a case by case basis, we cannot and do not implement a blanket charging policy.

Our training materials are not generated within the office, we rely on CDAA to provide training.

We have had no Batson/Wheeler motions litigated.

Please feel free to call me or email me if you have questions.

Thank you.
