RE: California Public Records Act Request – July 23, 2021

Dear Ellen Leonida,

Thank you for the public records act you sent on July 23, 2021 from your firm on behalf of the ACLU of Northern California. I have reviewed the request and have diligently searched our records for information responsive to your request. Unfortunately, the Mariposa County District Attorney's Office has no documents responsive to your request for all categories 1-4. I am currently working on policy in the area and would appreciate any information you may have that could help me to advance my adoption of these policies. Please note that any training materials on any of the subjects requested are generally received from the California District Attorneys' Association and are subject to copyright law and are therefore not records subject to the Public Records Act.

Sincerely,

A handwritten signature in blue ink, appearing to read "Walter W. Wall", is written over a horizontal line.

WALTER W. WALL
