Re: California Public Records Act (“CPRA”) Request (July 23, 2021)

Dear Ms. Kobal:

I write in response to your August 11, 2021 letter regarding our CPRA Request. Thank you for your response. We agree to your request for an extension of time to September 29, 2021 to produce the requested records.

With respect to the written and video training materials referenced in your letter, please provide a list of the “approximately 59 individual training segments” you mentioned. We would like to compare this list with the materials your office produced in response to our prior requests to determine, which ones, if any, are duplicative and which ones we would like to be produced in response to our current requests.

Thank you for your assistance. We look forward to your further response and production of records.

Sincerely,

Ellen V. Leonida
