Re: California Public Records Act Request

Dear Ms. Leonida:

The Stanislaus County District Attorney's Office continues to process your California Public Records Act request on behalf of the American Civil Liberties Union of Northern California. We will require an additional 14 days to complete our search and examination of our database due to the large amount of separate and distinct records that may contain documents responsive to your request.

Should we find records responsive to your request, do you desire paper copies or that they be transmitted to you electronically? The Stanislaus County Board of Supervisors has enacted Stanislaus County Code section 2.96.010 which requires a fee for furnishing copies of documents or public records. The fee is \$0.25 per page or \$10.00 for a copy of records in electronic format. Please provide your preference to us at StanDACPRA@standa.org

Thank you. We appreciate your patience.

Sincerely,

BIRGIT FLADAGER
