RE: Public Records Act Request re: Batson-Wheeler Training Materials

Dear Ellen:

In response to the above PRA request, this Office maintains its original position as set forth in our PRA response dated August 7, 2019 wherein the same materials were requested. To that end, please be advised that the Tehama County District Attorney's Office is in possession of copyrighted training materials from outside, third party vendors.

These outside, third party vendors are private organizations and not subject to PRA requests, see *California State University v. Superior Court* (2001)108 Cal.Rptr.2d 870, 20 Cal App.4th 810, and this Office will not be providing copyrighted materials from outside, third party vendors pursuant to Government Code Section 6254(k). Furthermore, this office does not possess any internal training materials contemplated by the request.

Best Regards,

Matthew D. Rogers
District Attorney
