Re: California Public Records Act Request on Behalf of the ACLU

Dear Ms. Leonida:

The Stanislaus County District Attorney's Office is in possession of documents responsive to your Public Records Act request for records relevant to the implementation of the Racial Just Act. As we explained in our last letter, Stanislaus County Code section 2.96.010 requires a fee of \$10.00 for a copy of records in electronic format. Abby Vare requested in her September 2, 2021 email to us that these records be provided electronically by email. Unfortunately, we are not able to provide the records by email, but we will provide them to you on a thumb drive. To answer Ms. Vare's question, \$10.00 *will* cover the entirety of our responsive records.

Please remit \$10.00 payable to the Office of the Stanislaus County District Attorney's Office. While we await receipt of the fee, we will continue to search and examine documents in our database to determine whether there are any additional documents and expect to be able to deliver to you our responsive documents within the next 14 days.

Please feel free to contact me if you have any questions.

Sincerely,

**BIRGIT FLADAGER
District Attorney**
