Re: Extension to Respond to California Public Records Act Request

Dear Ellen Leonida:

The Mariposa County District Attorney's Office is in receipt of your Public Records Act request dated September 7, 2021 and received September 7, 2021.

The records requested require the Department to search for, collect and examine an extensive amount of separate and distinct records. Additionally, the amount of records requested would require the need to compile data via a specialized computer report in order to be extracted from current software.

Accordingly, the Mariposa County District Attorney's Office will be unable to make a final determination of whether your requests seek copies of disclosable public records in the possession of the Mariposa County District Attorney's Office by September 17, 2021 (the 10th day from the Department's receipt of your request). The Mariposa County District Attorney's Office will respond to your request within 14 days from the above date, i.e., by October 1, 2021.

Respectfully,
