Re: California Public Records Act Request

Reference No. 21-104 PRA

Response Update #2

Dear Ellen Leonida,

As previously explained, I am a designated custodian of records for the San Diego County District Attorney's Office responsible for compliance with the California Public Records Act (CPRA). On July 23, 2021, this office received your three-part CPRA request on behalf of the American Civil Liberties Union of Northern California (ACLU).

On August 2, 2021, this office emailed you to extend the response time to August 16, 2021, pursuant to Government Code section 6253, subdivision (c). On August 16, 2021, this office emailed you Response Update #1 which sought clarification of Part 2, Request 1 and payment for the cost of data extraction for Part 2, Request 1. The letter also stated that given the breadth of the remainder of the request, additional time was needed to collect and review records, and that a further update would be provided by September 20, 2021.

As of the date of this letter, this office has not received the necessary clarification or payment to proceed with <u>Part 2</u>, <u>Request 1</u>. However, additional time is needed to collect and review records that may be responsive to the remainder of the request. A further update will be provided to you by November 19, 2021. Your patience is appreciated as we continue to process your request.

This office endeavors to provide access to information concerning the conduct of the People's business. We reserve the right, however, to maintain the lawful confidentiality of our records, and to claim, enforce, and apply any and all applicable exemptions, privileges, and proscriptions against public disclosure of records, including, but not limited to, those listed in Article 2 of the Government Code, Title 1, Division 7, Chapter 3.5, the California Evidence Code, Civil Procedure and Penal Codes, the Federal Rules of Evidence, and those established by case law.

Sincerely.

Kimberly Roth
