RE: Your CPRA request dated July 23, 2021

Dear Ellen Leonida:

Please find the first set of records responsive to your enclosed California Public Records Act (CPRA) request dated and received by email on July 23, 2021. The enclosed records are responsive to item three in your new request, "Records concerning the Racial Justice Act." We have provided our training materials to date regarding the implementation of the RJA. The second portion of the request, "communications concerning the RJA" is overbroad and potentially encompasses internal communications that fall within attorney work product and deliberative process privileges, California Government Code sections 6254(k) and 6255, and California Evidence Code section 1040(b)(2). Hopefully the training materials that we have provided meet your needs.

As a reminder, we are waiting on your response regarding which training segments from the Alameda County District Attorney's Office you are interested in. We will wait to hear from you before we gather any of these materials.

We hope to have the next set of production to you on or before October 29, 2021.

Very truly yours,

NANCY E. O'MALLEY
District Attorney
