RE: Your CPRA request dated July 23, 2021

Dear Ellen Leonida:

Thank you for your letter dated November 15, 2021 confirming receipt of records produced on September 29, 2021 and October 28, 2021. Further, you indicated you would like all 60 training segments which are proprietary publications produced by the Alameda County District Attorney's Office. These training segments consist of written and video materials. The cost for both the written and video record for each segment is \$15.00 or \$7.50 each. Please let us know if you are requesting both the written and video material or one or the other. The written material will likely be available to you within the next week. However, the videos will take time to compile and produce. We ask for a commitment to pay for the cost which in total is \$900 for both the written and video materials or \$450 for one or the other.

Since the next production date is on December 10, 2021, we ask for a reply as soon as possible. Thank you for your time.

Very truly yours,

NANCY E. O'MALLEY
District Attorney
