**RE: Public Records Act Request**

Dear Ms. Leonida:

On September 17, 2021 I provided you with a response to your September 7, 2021 Public Records Act request and advised you that the county had identified potentially responsive records. In that letter, I advised you that, due to the volume of materials, the responsive and non-protected documents would be available for review on October 1, 2021, unless additional time was needed. That was subsequently extended to December 29, 2021.

The purpose of this letter is to advise you that additional time will be needed. We now anticipate that the responsive and non-protected documents will be available for review on January 27, 2022. If additional time is required, you will be contacted with that new date.

Thank you.
