2021 California High Tech & Digital Evidence Symposium

This 3 ½ day seminar includes daily virtual sessions that will cover Cyber Fraud, ID Theft, Search and Seizure, and Online Exploitation of Children. Beginner- and advanced-level prosecutors and investigators dealing with high tech cases and digital evidence are encouraged to register. Digital evidence is now a key component in every criminal case. This seminar will help you stay ahead of the curve with instruction from leading experts in the field. This program contains general sessions, a Prosecutor track, Investigator track and daily sessions from Social Media Industry Professionals.

Registration & Tuition: Tuition is COMPLIMENTARY, but does require registration
