**Re: Public Records Act Request – Racial Justice Act (2)**

Dear Ms. Leonida:

The County of Madera (the "County") is in receipt of your correspondence dated January 21, 2022, wherein you request that the County produce the records produced on October 18, 2021, in native format.

Enclosed please find the requested records in the format maintained by the County. (See Gov. Code, § 6253.9.) Your correspondence inquires as to whether the County has withheld responsive records. The County has provided you with *all responsive records* in its possession. Additionally, the County continues to assert the same exemptions as per our last response provided to you on October 18, 2021, accordingly, such exempt information has been removed from the records produced, as the County was unable to perform redactions to the records in the media you requested.

This completes the County's response to your request. Please contact me for any questions regarding this matter.

Sincerely,

Crystal M. Pizano  
Deputy County Counsel
