Re: PRA Request Dated February 10, 2022 – Implementation of RJA

Dear Ms. Leonida:

This firm acts as County Counsel for the County of Modoc. Please accept this as the Modoc County District Attorney's Office response to the above-referenced Public Records Act request for records relevant to the implementation of California's Justice Act "RJA" for all cases considered for prosecution and/or prosecuted from 2015 to present.

The County of Modoc is working to compile the documents responsive to your request. At this time, our office requires additional time to search for, compile and examine documents held by the County of Modoc, to the extent they exist, and will respond when they are able. We anticipate having a response to you on or before March 15, 2022.

If you have any questions or wish to discuss this matter further, please do not hesitate to contact our office.

Regards,
PRENTICE LONG, PC
