**RE: Public Records Act Request**

Ms. Leonida,

We are writing to you in response to your February 10, 2022 PRA request, where you seek 15 categories of case related data from 2015 to the present.

As you may recall, we responded on February 28, 2022 noting that we do have documents responsive to your request, but that we were searching our files to determine what data we have, how much we have, and what we can pull from our case management system. We noted in that prior letter that we were hopeful to respond by April 1, 2022.

However, we are still attempting to pull data and one of our primary IT employees who helps find and search the internal data has Covid and thus we are still attempting to gather information. I am also out of the office for the next two weeks and am the only attorney working on this ACLU PRA project for our office. Once again we are hopeful that we can pull the documents and data by the end of the month and get back to you by May 1, 2022 with documents and make final determinations if there are any categories of data which may be exempt.

If you have any questions in regards to the above referenced matter, please do not hesitate to reach out.

Very truly yours,

VERN PIERSON  
District Attorney

JAMES A. CLINCHARD
