Ms. Krones,

Would it be possible to reschedule this call? Alternatively, you can respond to this email. Here is the situation on our end: we have two CPRA requests currently open with your office. We would like to agree on a deadline to produce the requested documents and data and to deal with any legal disagreements regarding withheld records as soon as possible. We are asking that you 1. suggest a deadline to produce responsive records and 2. inform us if you intend not to produce records based on one or more legal exemptions. Because both requests are now many months old, we ask that you respond to this initial request as soon as possible.

Let me know if you have any questions.

Regards,

Joshua Wilner

Please see the attached corrected version of our February 10, 2022 request. The new version corrects two typos in paragraph 3 and does not alter the scope of the records we request.
