Mr. Johnson,

Thank you for a productive call on April 29. I apologize for the delay in getting this email to you. I am writing to memorialize what we spoke about and request some information.

Regarding the July 23, 2021 request:

1. You informed us that the county will produce all responsive records in its possession for categories 1, 2, and 4 (1 motion) of the request and will not be asserting any exemptions.
2. Please inform us if you have any records responsive to category 3 of our request
3. Please let us know when we can expect the production of documents

Regarding the September 7, 2021 request:

1. Please provide the document listing which categories of data are tracked by your office. You informed us that digital data is only available starting in 2019.
2. Please let us know if you intend to withhold any categories of data and your legal basis for doing so
3. Please provide a deadline for the production of data based on the time you estimate for the creation of a spreadsheet.

Thank you again for your assistance and please let me know if you have any questions.

Regards,

Joshua Wilner
