***** EXTERNAL MESSAGE *****

Mr. Wilner,

We are still attempting to see what data we can pull. Our case management system switched in October 2019 and finding what data we have or dont have from 2015 to 2019 has been difficult. We are still gathering the data from 2019 to the present.

We are hopeful to get a more complete response out to you by the end of next week, and also hopeful that we can pull much of the data/records and turn over to you at that point as well. In that response, we will respond separately to each category or requested items.

Regards,

James Clinchard

Ms. Broddrick and Mr. Clinchard,

Thank you for your response. Our office agrees to an extension to May 1, 2022. At that time, we ask that you respond in writing to each subcategory of our request. For each subcategory, please inform us if the data is 1. Not tracked by your office in any form, 2. Tracked by your office only in paper files or a format that requires manual review of each case file (for example, a picture of a paper case file), or 3. is tracked digitally. For the data in category 3, please inform us whether you will produce the data or whether you plan to without it based on a legal exemption. Please provide the specific legal exemption you use to justify nondisclosure.

Please let me know if you have any questions.

Regards,

Joshua Wilner
