Re: California Public Records Act Request

To the Office of the District Attorney for El Dorado County:

Over a year has passed since we sent you a request for public records pursuant to the California Public Records Act and the only correspondence we have received from your office is the following:

- September 27, 2021: Response to CPRA Request
- April 8, 2022: Response to January 18, 2022 letter
- June 6, 2022: Additional response to emails requesting clarification
- June 6, 2022: Production of limited records:
 - Legal Case and Prosecution Manual
 - List of CDAA webinars
 - Training regarding jury selection.

If you contend that you have sent us any additional responsive records or correspondence, please let us know by November 11, 2022. You may email any response to praresponse@braunhagey.com.

If we do not hear from you by November 11, 2022 we intend to initiate litigation. As you are doubtless aware, you will be liable for all fees we incur by being forced to sue you for production of public records to which we are entitled.

Sincerely,

Ellen Leonida
