**Re: California Public Records Act Request**

Dear Mr. Rogers:

I write, again, regarding our July 23 and September 7, 2021 California Public Records Act requests.

Our last letter, sent by certified mail on October 3, 2022, requested a detailed description of your office's data storage system in order to assess the validity of your blanket denial of our September 7, 2021 CPRA request. To date, we have received no response. If you do not respond by November 11, 2022, we will be forced to initiate litigation.

Regarding our July 23, 2021 request, you produced approximately 100 pages of responsive records on April 27, 2022. Please confirm that this was your only production and that you are not holding any responsive documents.

Sincerely,

Ellen Leonida
