RE: Your CPRA request dated July 23, 2021

Dear Joshua Wilner:

We are responding to your request received through email on September 23, 2022, for training materials pursuant to your July 23, 2021 California Public Records Act (CPRA) request. In your email, you included a list of the specific records you are seeking.

We have located the records responsive to your request. They consist of written and video materials, and we are providing them to you at no cost. Due to the volume of the records, we transferred them to a thumb drive. We have enclosed the thumb drive with this letter.

Please note, we redacted a small portion of one of the written materials. We redacted a segment on page 6 of the document dated July 6, 2015. This information involves passwords and technical information regarding access to our internal databases. This information was redacted pursuant to Government Code section 6254(aa), 6255, and Evidence Code section 1040.

We have produced all non-exempt, responsive records sought in your request of September 23, 2022.

This further concludes your CPRA request of July 23, 2021.

Very truly yours,

NANCY E. O'MALLEY
District Attorney
