***** EXTERNAL MESSAGE *****

Hello,

Part 1, Request 3, sought the following records:

Records concerning the Racial Justice Act:

- a. Implementation of and compliance with the RJA;
- b. Communications concerning the RJA; or
- c. Trainings related to the RJA.

At the time of this request, this office conducted a reasonable search for the requested records, and produced all non-exempt responsive records with our April 29, 2022 response. As noted in that response letter, to the extent certain records produced were exempt from disclosure, the District Attorney waived the applicable exemptions for those records only. However, there are additional responsive records that were not produced because they remain exempt from disclosure pursuant to the core work product privilege and deliberative process exemption.

Thank you,

Kimberly Roth

Thank you, Ms. Roth. I reviewed the April production this morning and did not see any emails or other communications. Did your office run an email search? Are you in possession of any policies or directives regarding the RJA?
