Hi Kim,

Thanks for a productive call today. I am writing to memorialize our conversation and next steps.

1. We have not received a link for the data responsive to the February 2022 request. You will send another request to reset our password and include us in that email exchange.
2. You are still producing training materials and hope to have this completed by the end of December.
3. You will ask about arranging a meeting between your IT staff and the discovery person at our office to discuss ways to remove duplicate results from the email search pursuant to the July 2021 request. I will follow up about this on Friday (12/9) if we have not heard from you by then.
4. You and I scheduled a phone meeting on Tuesday, December 20 at 11am to discuss any outstanding items related to the July 2021 and February 2022 request.

Let me know if you have any questions.

Regards,

Joshua Wilner
