Mr. Wall,

After reviewing the Measures for Justice page for Mariposa County, we have determined that the aggregate data is not responsive to the September 7, 2021 request. Please produce the "raw" data for the categories we request in a spreadsheet form.

Thanks, again, for your assistance with our requests.

Regards,

Joshua Wilner

Mr. Wilner,

Delightful to speak with you on the phone today. To recap the areas we discussed:

1. Policy - The Mariposa County District Attorney's Office does not currently have any written policies at all in this area. We would welcome for our consideration any proposed policy from the ACLU. I have been working with an intern this summer on drafting a policy, but that is in its preliminary draft and needs more work. If you would like a copy of that draft, I can

certainly send that.

2. Training Materials - Any and all training materials on this issue have been provided by the CDAA, which, I understand you have a copyright waiver from the CDAA for these. Again, I would be interested in hearing about any training that the ACLU is providing in this area.
3. Communications Re Implementing the Racial Justice Act - To my recollection, our office has not written any emails about this topic except in response to your emails asking for some proposed policies and data.

Sincerely,

Walter Wall
