Ms. Fernandes,

Thanks for a productive conversation this afternoon. We have a few final questions regarding these requests.

Regarding the July 23, 2021 request:

1. Please confirm that all responsive documents were produced, and no responsive documents were withheld for any reason. We believe this to be the case because no exemptions were asserted in your correspondence.
2. Please explain in detail your search for records responsive to category 3b (communications concerning the Racial Justice Act). Was an email search performed? If so, what search criteria were used?

Regarding the September 7, 2021 Request:

3. In your October 12, 2021 letter, you indicate that some of the requested case outcome data (category 11 of the request) was withheld. What data was withheld and what legal exemption was applied to justify nondisclosure?

Let me know if you have any questions.

Regards,

Joshua Wilner
