RE: ACLU CPRA request dated Nov. 17, 2023

Sandra:

Attached hereto are exhibits responsive to the aforementioned CPRA request. Exhibit A is responsive to items 1, 2, 3, 5, 6, 7, 10, 11 and 13. Exhibit B is responsive to item 8. Exhibits C and D are responsive to items 14 and 15. Attached bail schedules are responsive to item 9.

Regarding item 4, numerous prosecutors can be assigned to a case throughout the life of the case. To identify only one prosecutor to a case would be misrepresentative.

Regarding item 12, we are unable immediately to differentiate between appointed and private counsel in the attached Exhibit A. If possible, we will endeavor to do so in future responses to similar requests.
