

The California Racial Justice Act (AB 2542)

What is AB 2542?

- ① “We cannot simply accept the stark reality that race pervades our system of justice.”
- ② “Discrimination undermines public confidence in the fairness of the state’s system of justice and deprives Californians of equal justice under law.”
- ③ “[A]ll persons possess implicit biases ..., that these biases impact the criminal justice system ..., and that negative implicit biases tend to disfavor people of color.”
- ④ “The intent of the Legislature is not to punish this type of bias, but rather to remedy the harm to the defendant’s case and to the integrity of the judicial system.”

(a)(2) During the defendant's trial, in court and during the proceedings, the judge, an attorney in the case, a law enforcement officer involved in the case, an expert witness, or juror, used **racially discriminatory language** about the defendant's race, ethnicity, or national origin ... **whether or not purposeful.**

(h)(3) "**Racially discriminatory language**" means language that, to an objective observer, explicitly or **implicitly** appeals to racial bias, including but not limited to, **racially charged or racially coded language**, language that compares the defendant to an **animal, or language that references the defendant's personal appearance, culture, ethnicity, or national origin.** Evidence that particular words or images are used exclusively or disproportionately in cases where the defendant is a specific race, ethnicity, or national origin is relevant to determining whether language is discriminatory."

(a)(2) During the defendant's trial, in court and during the proceedings, the judge, an attorney in the case, a law enforcement officer involved in the case, an expert witness, or juror, used **racially discriminatory language** about the defendant's race, ethnicity, or national origin ... whether or not purposeful.

(e)(C) [Potential Remedy:] Discharge the jury panel and empanel a new jury.

STATUTORY REMEDIES

[*]and[*]

the evidence establishes that the prosecution **more frequently sought or obtained convictions** for more serious offenses against people who share the defendant's race, ethnicity, or national origin in the **county** where the convictions were sought or obtained.

(h)(1) "**More frequently sought or obtained**" ... means that statistical evidence or aggregate data demonstrate a **significant difference** in seeking or obtaining convictions or in imposing sentences comparing individuals who have committed **similar offenses** and are **similarly situated**, and the prosecution cannot establish race-neutral reasons for the disparity.
