RE: PRA request dated November 17, 2023

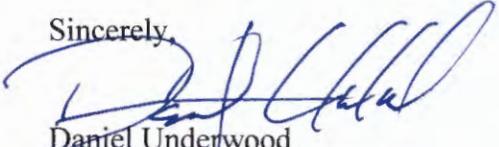

Dear Haazim Amirali,

This letter is to acknowledge receipt and respond to your request for records dated November 17, 2023. Please be advised that nothing in this response should be considered as a waiver of the right of the County to assert any and all claims of exemptions or privileges to the inspection of the whole or any part of the records. In your email you requested numerous items related to our implementation of California's Racial Justice Act.

We have recently contracted with an outside vendor, Sicuro Data Analytics, LLC, to assist with such via our case management system. We have asked them to estimate the cost and time required to perform a search for the data you have requested. Their quote for the scope of work is attached here, estimating 4-5 months of work that would cost \$10,000 - \$12,000. Your letter requested we inform you of those costs which would exceed \$100.00 if we are unwilling to waive the fees, which would be impractical on such a large broad-based request for information as this one. If you wish for us to have our vendor perform this search, please let us know and we can facilitate contracting between your agency and Sicuro Data Analytics, LLC.

We hope this response is helpful. Should you require further information or clarification, please don't hesitate to contact me at (559)636-5329.

Sincerely,

Daniel Underwood
Chief Deputy District Attorney
